WECK®

WECK ROTATING HEAD STAPLER

Pistol grip. Rotation. Economical.

AT A GLANCE

- Pistol grip handle design
- 360° cartridge rotation
- Staple counter
- Contains 35 wide skin staples
- Unique staple design for easy removal

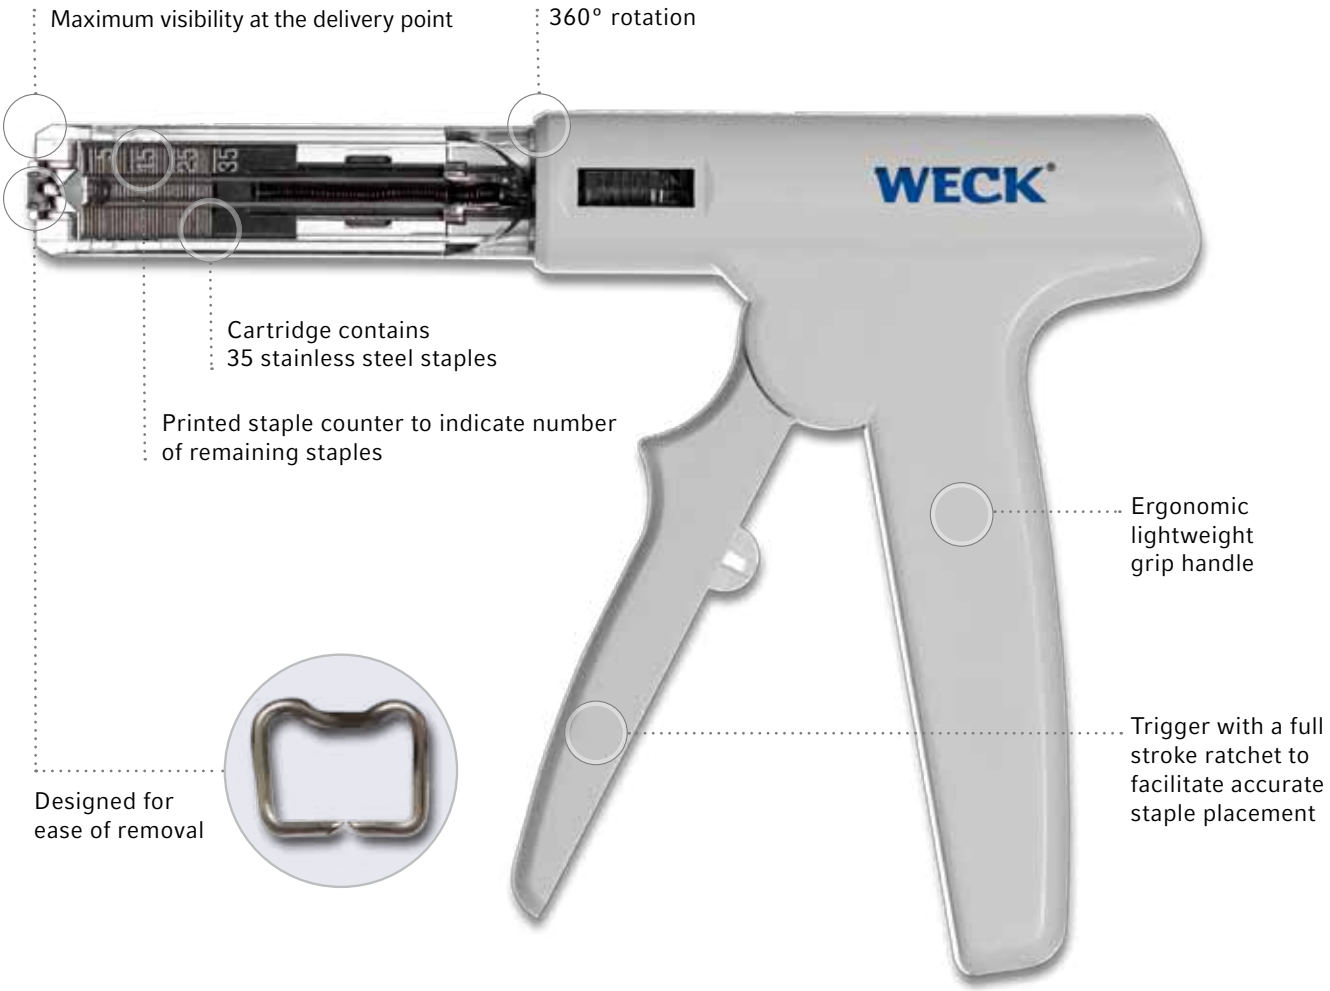

Whether you're looking for flexibility, improved angle of approach, or simply a more ergonomic closure solution, the Weck Rotating Head Skin Stapler just feels good in your hand. Improved visualization and easy rotation ensure staple placement where intended, every time, saving you time without compromising the result.

Weck Value — you can feel it.
