Teleflex, a global provider of medical devices, offers a full line of surgical instruments under the Pilling® and KMedic® brands. These instruments span across many surgical specialties, including Cardiovascular, Thoracic, Ear/Nose/Throat, Orthopedic, Laparoscopy, Neurosurgery, Gynecology, Plastic, Bariatric, and General Surgery.

For 200 years, Pilling quality instruments have been provided to customers across the world to help improve the standard of patient care. Pilling is especially known globally in the CVT and ENT specialties for a wide selection of proprietary instruments co-developed with leading surgeons.

Our KMedic orthopedic line offers the industry's most extensive line of orthopedic instruments, with more than 2,000 patterns.
